Playground Behaviour Rules
Earlier in the year, we reviewed our Behaviour Management Plan. The rationale behind our plan is outlined below.

Our school’s policy is derived from the School’s Vision Statement and the shared values underpinning teaching at Holy Rosary Primary School. The rationale for developing whole school classroom and playground rules, rights and responsibilities and behaviour management procedures, including reward systems, is to promote positive and responsible behaviour, which ultimately is self-managed. Through consistent application of these throughout the school, children will be familiar and understand the expectations placed upon them.

Below is a list of our playground behaviour expectations:

**Walk to School Day**
Last Friday we celebrated ‘Walk to School Day’ the students met at the town oval and then walked to school, under the supervision of staff. On their arrival the students had their breakfast waiting for them. Thank you to all staff who contributed in anyway in the organising of this event.

**Why God Made Mums**
Actual children’s answers:
- Magic plus super powers and a lot of stirring.
- God made my Mum just the same like he made me. He just used bigger parts.

Enjoy the coming weekend. Despite the winless start, I’m tipping a 23 point upset by Freo this weekend.

Principal

**Dates to Remember**
- Sunday 29th May: Family/Reconciliation Enrolment Mass  
- Monday 6th June: Foundation Day Public Holiday  
- Tuesday 7th June: Pupil Free Day

**P&F News**
Our Norwex fundraiser finishes tomorrow! Please get all your orders into the office or directly to Brooke Kaps by Friday afternoon. A percentage of all sales comes to our school and will go directly to our new playground.

Please come and join us for our next P&F meeting: 7.30pm next Monday night, 30th May, at Caroline’s house. Please speak to the office or Caroline to get directions.

We’ve just heard that the Forpark playground has been completed, so we are organising for it to be brought up to Derby in the next week! We’ll need your help on the weekend when we install it - we’ll keep you posted about when that will be. We also still need more solid hardwood logs so if you have some at your property that we could use can you please speak to Caroline, Lisa, Pene, Claire or Craig - we really appreciate your help!

Last weekend Caroline and Lisa attended the state Parent’s and Friends Federation of Western Australia (PFFWA) conference in Perth. It was a beneficial conference with interesting speakers and many relevant issues raised including: online safety; parental engagement; access to funding for children with special needs; and access to quality education for children in rural and remote areas. It was really interesting to participate in the Q and A panel with five state politicians. We feel really privileged to have been able to attend and hope to bring some of our new knowledge and understanding back to our P&F and our school.
