Holy Rosary’s Data for 2015, is now available on the school’s website: www.hrsderby.wa.edu.au Look under the **OUR SCHOOL** tag and click **SCHOOL DATA** and then select 2015.

Behaviour Management Plan

Reports & Parent Interviews
This year staff have been given the option of using portfolios or the child’s workbooks as a means of assisting with reporting to parents. A reminder that parent/carer interviews will occur on Tuesday, 28 June and that school will be closed at 11.45am on this day. Please nominate your interview time on the appointment sheet in the front office.

Villiers Street Entrance
Over the last few years we have invested money in classroom furniture and upgrading our buildings. The next goal is to improve the school grounds. The P&F have already commenced achieving this goal, by overhauling the playground area near the canteen. We are also hoping that works will soon commence on the area where the bike racks are situated (Villiers Street entrance). The plan is to beautify this area by placing paths, concrete and garden beds.
Head Lice
There seems to be an outbreak of Head Lice at school again. Please check your child/children’s hair and treat accordingly. Students are to be excluded from school until after the treatment has commenced and live lice are removed. A Head Lice Fact sheet is available at http://www.public.health.wa.gov.au/2/261/2/head_lice_fact_sheet.pm

If You Could Change One Thing About Your Mum, What Would It Be?
Actual children’s answers:
1. She has this weird thing about me keeping my room clean. I’d get rid of that.
2. I would like for her to get rid of those invisible eyes on the back of her head.

Enjoy the coming weekend. What a great opportunity for Freo to win their first game. I’m tipping a 25pts win over Essendon.
