The school is a place where staff, parents, children and members of the wider community work together to achieve their total development in a harmonious environment.</p> <p>As a school, we are concerned with developing the whole person. As well as academic achievement, we also promote the following four values:</p> <p>REVERENCE Showing our love for Jesus RESPECT For ourselves, others and property RESILIENCE Never giving up when things become difficult RESPONSIBILTY For our behaviour and learning</p> <p>The school has a computer laboratory and well-resourced library. A physical and personal development education program called Bluearth provides skills and games sessions for all children. Children with special needs at either end of the spectrum are catered for, so that each child is helped to achieve his/her potential. Support teachers provide extra help in the area of mathematics (Extending Mathematical Understanding program) literacy and Reading Recovery.</p> <p>A very important part of our teaching team at Holy Rosary are our Aboriginal Teaching Assistants who work in partnership with the classroom teachers to provide a well rounded education. The major emphasis in the school is to improve literacy and numeracy standards and each class is required to plan a two hour literacy and one hour numeracy block each day.</p>
