24th March 2020,

Dear Parents/Caregivers,

Re: Holy Rosary Sport

In response to the global pandemic COVID-19 or coronavirus, afterschool basketball on Wednesday afternoons will be cancelled effective immediately. This will fall in line with afterschool netball which has also been cancelled until further notice. Our school will do what it can to provide students with the support to ensure that they can remain to be happy and active. However, at the moment, we need to take extra precautions so that our community is kept safe.

Furthermore, the West Kimberley PE Cluster has made the decision to cancel/postpone future Interschool events that attract a large gathering of people. In Term 1, this has included the Interschool Swimming Carnival (Friday 20th March) and Basketball Carnival (Thursday 9th April). In addition, Term 2 events will be impacted and are also to be cancelled/postponed. This will include and effect: cross country, netball and football. Discussions will be held in Term 2 to understand what the future of the carnivals that have been mentioned above and other events in Semester 2 have in 2020.

It is understandable that many students will be disappointed that they will not get the opportunity to partake in school sports and Interschool carnivals in the near future. We as a school community recognise that current times are forever changing and we will need to remain agile. When circumstances permit, Holy Rosary and the fellow schools from the West Kimberley will strive to provide our students with the opportunities that they deserve and seek in the area of Physical Education.

Kind Regards,

Kayde Baker

Health & Physical Education Teacher
