

CATHOLIC EDUCATION  
WESTERN AUSTRALIA

1<sup>st</sup> July 2022

Dear Holy Rosary Catholic School Community

Thank you to everyone who supported the amazing NAIDOC activities of the week, which concluded this morning with a beautiful and *very breezy* 😊 whole school liturgy. Thank you, Father Sales, for leading the gathering, a wonderful way to celebrate the school term with the awards to follow.

Congratulations everyone. Thank you for your presence; children, families and staff, over the term. Your kindness and great spirit provide a welcoming and safe environment for all to learn and grow together.

I would like to take this opportunity to express my gratitude again for the opportunity to be with you these last two weeks, and wish you well for the second semester as you welcome Melanie to the service and sacred responsibility of leadership for Holy Rosary School Community. Your support for the building of a community, Christ centred and child focused, is inspirational and testament to the unconditional love and life-giving witness you provide each day.

As we move into the term break, I hope you find some precious time to gather with family and friends, enjoy sacred time on country, a good book or some rest and joyful reflection on the sharing of the term.

Take care and may the blessings of the season and companionship be with you onward.

Faithfully,  
Gerard.
